*owned by the band

Catering:

On stage: 5 bottles of ½ litre of water or bottles of beers /cans. Dinner and drinks are highly appreciated.

Dressing Room:

Exclusive use of the band with good lighting to allow the makeup and locking possibilities with personal key. The band needs around 30 minutes for warming up and makeup.

Logistics:

Parking in a safe area near the stage to facilitate the loading/unloading of the backline. One or more tables (2x1m is optimal size) in order to set up the merchandising area with adjacent power socket and two chairs.
